JUDICIARY SYSTEM

Another Judge's web project

The non-governmental association, Judge's web is going to promote its most recent project in the area of introduction of information technologies into the Croatian judiciary system at the Town Council Premises, on Wednesday, 26th May. The association members have recently finished creation of a data base comprising more than 2000 Internet site pages with all relevant data on the majority of court experts and court interpreters in Croatia. Data are available at the Judge's web Internet site www.sudacka-mreza.hr. Judge's web wishes to hand over the whole project to the Ministry of Justice free of charge upon finishing of the projects. The Minister, Vesna Škare-Ožbolt, has expressed a general interest in acquisition.

PRAVOSUĐE

Novi pothvat udruge Sudačka mreža

Dražen Komarica

► **N**evladina udruga Sudačka mreža promovirat će u srijedu, 26. svibnja, u zagrebačkoj Gradskoj skupštini svoj najnoviji pothvat na području informatizacije hrvatskog pravosuđa. Članovi udruge nedavno su završili izradu baze podataka koja sadržava

više od 2000 Internet stranica sa svim bitnim podacima o većini sudskih vještaka i tumača u Hrvatskoj. Informacije su dostupne na Internet stranici Sudačke mreže, www.sudacka-mreza.hr. Sudačka mreža želi cijeli projekt po završetku izrade besplatno ustupiti Ministarstvu pravosuđa, za što je ministrica pravosuđa Vesna Škare-Ožbolt iskazala načelan interes. ■
